

## Uranium Star Corp.

Julie A. Lee Harrs

The Board of Directors of Uranium Star Corp. is pleased to announce the appointment of Julie A. Lee Harrs to the position of President and Chief Operating Officer and director of the Company.

Ms. Lee Harrs brings extensive international mining experience to the Company. Most recently, she was Senior Vice President, General Counsel and Corporate Secretary of Sherritt International Corporation and previously, Associate General Counsel and Assistant Secretary of Inco Limited (now Vale Inco). Before joining these mining companies, Ms. Lee Harrs was a corporate lawyer with Blakes, a national law firm. Ms. Lee Harrs has worked on mining projects in Canada, New Caledonia, Cuba and Madagascar.

Uranium Star Corp. is a rapidly emerging exploration company with assets in Madagascar (Vanadium) and Northern Quebec (Uranium). The Company has recently announced a major vanadium discovery in Madagascar, and is now preparing for the project's advancement. Its shares are traded on the OTCBB under the symbol URST and on the Frankfurt Exchange under the symbol YE5. Uranium Star has formally applied to the TSX Venture Exchange for issuer status.
